

Dear, Ms Campbell

Thanks for your feedback.

Here is the regulations of bring and using the comfort product regarding to bring Inflatable 1st Class Kid Travel Pillow.

A. The regulation of using comfort product:

- 1. It is forbidden to use during boarding, landing and sliding.**
- 2. Can not be placed on the escape route and area, in order not to affect the safety of passengers and flight safety principle.**
- 3. Can not damage the in-flight equipment.**
- 4. Can not affect other travelers' interests.**

B.

When passengers would like to bring the relevant products, they have to inform of reservation center after booking and must follow the safety regulation
